

HASKELL CISD conducts a program for students with above average potential in academic and creative-productive thinking skills areas in grades K-12. This gifted education program is designed to challenge students to accelerate above and beyond the regular school curriculum.

Any adult wishing to refer a student believed to be an intellectually or creatively gifted learner is encouraged to come by any of the three offices: Haskell High School Office, Haskell Jr. High Office or Haskell Elementary Office to pick up the necessary forms. Offices are open from 7:45-3:50. The students that are referred will go through a screening procedure that requires special testing. At the time of referral, parents will be requested to grant permission for this test.

Referral period for HASKELL CISD is **October 30-November 10**. During this time parents/adults may pick up an application at any of the three campuses to nominate a student. Fill out the paperwork and return it back to the campus office by **Friday, November 10, 2023**.

For any further assistance, contact Michelle Thane at 940-864-2602 ext. 105.
