

## HCISD SHAC Minutes

December 10, 2025 5:30 pm

5:31 pm

Started meeting with a welcome. Present were Belinda Lytle, Barry McBroom, Lonnie Hise, Michelle Thane, Billie Lindsey, Jenny Camacho, Sheridan Gibson, C Gonzales and Misty Sunday. Lytle made a motion to approve the minutes from the October meeting and Hise seconded the motion.

Sunday spoke about the regional nurse meeting that was held 12/4/25; the speaker talked about SHAC. He discussed how the SHAC committee needed to be more parents than school officials, and that we needed to work on trying to add more parents over the next two meetings. Gonzales asked how the process would work if they would just give nominations to the nurse and let the nurse reach out to parents. Sunday replied that is how she would do, as not sure if a certain protocol was to follow.

Next we talked about the YES program and the programs we are already part of the holistic plan that does the rotation every year, Sunday was not aware. So that will continue for grades 6-12. McBroom asked if 4th and 5th grade also took this class; the flyer had those grades listed as well. Sunday informed me no, Sunday would be doing the puberty class with 5th grade in the spring. Sunday had discussed with other nurses about 4th grade, and they stated they did not have a class with 4th grade. What was required by 4<sup>th</sup> grade TEKS was already covered in the classroom.

The next two meeting times were discussed. February and April were agreed upon for our next meetings.

Feb 11th at 5:30 pm will be the next meeting.

5:47 pm Lytle made the motion to adjourn meeting and McBroom seconded the motion.

5:48 Meeting adjourned
