

Haskell CISD SHAC

Meeting Minutes 9/17/2024

Tuesday, September 17th was a busy night for Haskell, Texas with various board meetings and club meetings across town. Chairperson Chandra Ingram called the Haskell CISD School Health Advisory Council meeting to order at 6:00pm.

Members were welcomed, given the minutes from our last meeting and the agenda for tonight's meeting. Christye Gannaway made the motion to approve the meeting minutes from May 15th, seconded by Edgwyna Flores and minutes were approved.

Christi Wheat introduced Margaret Humphrey, the speaker for tonight's meeting and parent presentation. Margaret is from the Youth Equipped to Succeed (YES!) organization and presented the Aim for Success program that our high school and junior high students will attend tomorrow, Wednesday, September 18th, at four separate sessions during the school day. She showed variations in the presentation for the different age groups. Parents and council members were given the opportunity to ask questions and fill out a survey about the program and the YES! organization at the conclusion of her presentation. Wheat thanked Margaret, parents and members for attending tonight. Parents had the chance to view and sign consent forms for their student in the foyer after the meeting. Consent forms were sent out over 2 weeks ago and most have already been turned in checking 'yes' their student may attend, or 'no' may not attend.

Wheat made the motion to adjourn, seconded by Ingram and the meeting was adjourned at 6:44pm.

Tonight's meeting was not recorded due to copyright laws.
