

Haskell CISD SHAC
Meeting Minutes 2/28/2024

The February meeting of Haskell CISD School Health Advisory Council was called to order at 5:15 by chairperson Chandra Ingram. Members in attendance: C. Ingram, Michelle Thane, Jenny Camacho, Edgwyna Flores, Christye Gannaway, Vanessa Shiplett, Lonnie Hise, Erin Watson, Barry McBroom, Caitlin Lewis, Toby Allen, Janet Adkins, and Christi Wheat.

Members were welcomed and given packets that included minutes of the December meeting (previously emailed to each member), a graph of SHAC topic concepts and forms/handouts related to the subject of tonight's meeting. L. Hise made a motion to approve minutes and was seconded by E. Watson.

The council discussed the nutrition program and the Community Eligibility Provision Act. HCISD qualified for the federal program and is able to provide free breakfast and lunch for students. E. Flores shared some of the regulations required, a few differences the four day schedule has necessitated, and the challenges of preparing a menu that follows guidelines while also having variety for students. She briefed the council on some of the options for breakfast and lunch as well as items that are consistently offered. Next the council heard from C. Wheat about food allergy management, forms required from parents for students with food allergies, epi-pens on campus for emergency use, and epipen training. The physical education subcommittee reviewed prior to this meeting, TEA requirements. Represented tonight by T. Allen and C. Wheat, the subcommittee recommended continuing what we are currently doing on each campus as it exceeds what is required. The group discussed TEA requirements and the school's athletics, recess and PE programs on all campuses. The council unanimously agreed to recommend to the school board no changes at this time.

Topic suggestions and date for the next meeting were considered and tentatively set for May 2024. C. Wheat will email details of the scheduled meeting.

J. Camacho made the motion to adjourn, seconded by C. Lewis. The meeting adjourned at 5:45.
